A woman with long, wavy hair is shown in profile, looking towards a large, ornate classical building. The building features a prominent dome and a clock tower. The scene is set in an urban environment, with a modern skyscraper visible in the background. The overall tone is artistic and evocative, suggesting a theme of urban exploration and discovery.

David Daper is an archetype, an urban traveler in quest of his city's gems: a pretty store, an original street food spot in an artsy neighborhood, an alternative coffee shop where he likes to spend time away from the hustle and bustle. David Daper is a daily life adventurer who likes to take the time to discover cities freely, from another angle - bearing values such as simplicity, authenticity and a pronounced taste for local cultures. Authenticity, simplicity, urban adventure is part of their Way of Life.
